AMENDMENTS TO THE RENT STABILIZATION ORDINANCE, ELLIS ACT & JUST CAUSE EVICTIONS

Join us to hear from the City of Los Angeles' Housing and Community Investment Department regarding recent changes to the Rent Stabilization Ordinance and the Ellis Act. The City Council recently adopted more stringent replacement unit obligations and are considering additional amendments that would limit condominium conversions when vacancy rates are below 5%. We will also receive an update on a pending proposal that would require Just Cause Eviction procedures for all rental housing in the City.
